Professional Summary

GTM operator with five years across financial services and B2B, building revenue systems from zero — referral partnership channels, new verticals, partnership outbound, BDR teams, RevOps infrastructure, and the AI-native tooling layer underneath. Instincts at both the rep level and the systems level.

Experience

Career Sabbatical

Sept 2025 - Present

Time focused on travel and deepening technical depth in systems engineering.

- Built 7-component lead scoring and outreach pipeline integrating HubSpot, PDL, scikit-learn, FastAPI, and Claude API, running on live CRM data
- Built AI-powered sales call scorer evaluating rep performance, coaching gaps, and opportunity fit

Chapter

May 2022 - Sept 2025

Growth Lead (2024-2025)

- Built outbound engine responsible for majority of partnership revenue as Chapter grew 10x from Series B to Series D
- Hired, trained, and led BDR team to 180% of quota, scaling outbound across financial services and health systems
- Unlocked outreach motion that grew influencer channel from 5% to 60% of partnerships revenue across 140 creators
- Built and executed field sales motion for Edward Jones referral partnership, accelerating financial advisory adoption
- Built & owned RevOps infrastructure, enabling team to scale outreach and pipeline tracking for 1000s of accounts

Partnerships, Associate → Manager (2022-2024)

- Built health system sourcing motion; \$95M in qualified pipeline & team signed 3 of top 5 U.S. systems in first year
- Owned new partnership launch, implementation, and 100% retention for new vertical accounts
- Scaled financial advisor vertical to 8 of top 10 firms, driving 3x ARR growth and 94% partner retention
- 0 → 1 CRM design, data hygiene, and tooling implementation (Hubspot, Salesloft, ZoomInfo, Nooks, Clay)

McAdam Financial

May 2020 - May 2022

Financial Advisor

- Built book of business from scratch and managed ongoing retention rate of 100%
- Selected to teach class on cold calling tactics within first 3 months of employment based on conversion ratio

Education

Boston University

May 2020

BA in Neuroscience
